# Price List

## Event Photography

For your business conference, press conference, panel discussion, corporate event, start up or tech event, I offer the highest quality photography, producing bold, impactful photos that capture the energy and enthusiasm of the occasion. I am an Event Photographer based in Berlin, but I am hired by businesses and organizations from all over the world.

For private occasions, such as high-end parties, anniversaries, birthdays, art exhibitions, benefits, gala dinners, film premieres and after-parties, I place particular emphasis on the mood, emotions and details of your amazing event, so that you and your guests will remember it with affection for years to come.

As your Private Event Photographer I provide you with amazing photos that truly capture all the wonderful people and great moments of the occasion!

In a preliminary meeting we discuss your event in detail, as well as your requirements and wishes for the photos.

- Per hour of shooting, you receive approximately 50 photos.
- Every individual photo is edited for brightness, contrast and composition.
- You receive all photos as high resolution files on DVD and/or via online transfer.
- Price :\* 180,- € net for one hour
- Price :\* 240,- € net for two hours
- Price :\* 320,- € net for three hours
- Price :\* for fours hours or more, please contact me for an offer.

All Prices include basic Editing (brightness, contrast, composition) of the Selected Photos.

- Travel cost up to 20 km from Berlin are included in the price. For every additional km, 0.30 €.

## Business Portrait Photography

Whether you're a business professional, a politician, an actor or artist you need photos that truly capture your personality and that market you and your brand effectively. I help you achieve your personal and professional goals by creating impactful photos that separate you from your competition.

In a preliminary meeting we discuss your exact wishes and ideas for the shoot.

## **Business Portraits in Studio**

- For one hour of photography, you receive 4–6 photos.
- For one hour and a half of photography, you receive 6–8 photos.

## **Fashion Photography**

I offer fashion, beauty, glamour and lifestyle photography and work closely with the client to create a visual representation of their brand. I also do catalog, editorial, model and sedcard shootings. My approach is contemporary, clean, elegant, and sensual and is often characterized by sophisticated lighting, bold colors and unique posing. My work has appeared in numerous magazines, such as Elegant, Elléments, Institute, Luxiders, Minc, Modacycle, and Solis.

Prices are variable and always contingent on the job and its requirements. Please contact me for a quote.
